MISSION
We assist individuals with barriers to employment in making the transition to independence and self-sufficiency.

VISION
Service excellence in developing human potential.

PHILOSOPHY
We believe that work plays a critical role in our lives and forms the cornerstone of a person’s relationships with others. Through the power and dignity of work, individuals are able to achieve both economic self-sufficiency and a productive role in society.
Moses Jones is the **2016 Graduate of the Year**. Moses was referred to Goodwill to assess his work skills and find steady employment. He overcame barriers to find work with two employers who wish they had more employees like him.

Cindy Hua is the **2016 Achiever of the Year**. She is a student at the Saginaw Transition Center and loves school. Cindy arrived at Goodwill for work assessment. She was anxious and a bit afraid to try new things, but soon memorized work procedures, and demonstrated determination and a great work ethic.

Kimberly Wilson is a Lead Store Associate at the Clio location and was selected as the **2016 Retail Employee of the Year**. She has been with Goodwill for more than three years and is an outstanding team member who interacts with customers and other team members in a very friendly, positive manner.

The **2016 Operations Employee of the Year** is Norman Klam. Norm began his career with Goodwill in 2008 in the Maintenance Department. When an opportunity presented itself, he stepped up to lead the department providing prompt and courteous service to all 18 Mid-Michigan locations.

Luis Galindo is the **2016 Graduate of the Year Runner Up**. He is a high school graduate, but had little work experience, and found application for employment difficult with his barriers. He was referred to Goodwill and completed a community-based assessment at JCPenney, after which he was hired, proving his good work qualities.

Mark Ondovscek is the **2016 Achiever of the Year Runner Up**. Mark dropped out of high school in the 10th grade with learning difficulties. He was referred to Goodwill for an assessment at the Clio store, then went to work in the salvage department. He is very efficient and is considered a leader in the department.

The **2016 Retail Store of the Year** is Clio. Located in the northern part of Genesee County, Clio produced a nearly 5% sales increase during 2016 while keeping costs below budget, increasing donations, and providing a great work site for employment and training services. Congratulations to Store Manager Tracey Lamar and the entire Clio store team!

The Patisserie is the **2016 Employer/Partner of the Year**. The Patisserie is a premier bakery serving Saginaw offering fresh baked goods, gourmet coffee, breakfast trays, specialty cakes, cupcakes and more. The bakery recently worked with Goodwill to hire an individual with a disability. The Patisserie believes in giving this individual a fresh start.

**THOSE WE SERVE**

Goodwill serves people with a variety of today’s barriers and challenges - people with physical, mental and emotional disabilities, displaced workers, people who are homeless and/or illiterate, both older and younger workers, people with economic disadvantages or limited work skills, people with criminal backgrounds, and those who aspire to move from welfare dependency to the world of work and independence. In addition, Goodwill honors vouchers issued by other agencies for their clients for store merchandise. To objectively determine successful outcomes from our programs, Goodwill uses a performance measurement and improvement system which measures consumer access to, satisfaction with, efficiency of, and effectiveness of our services. The Board and management of Goodwill then utilize that data to improve our programs and services. (Copies of the Performance Improvement Report are available upon request at the main office).

Round UP
A Goodwill Industries of Mid Michigan Community Support Program
CARF ACCREDITATION

CARF is an international accreditation body which utilizes peer review to determine the effectiveness, efficiency and access to employment services and the level of satisfaction with those services. Goodwill Industries of Mid-Michigan has been continuously awarded the maximum three-year CARF accreditation for its employment services since 1966. Our last accreditation survey was conducted in October, 2014 and included the following services:

• Community Employment Services:
  • Employment Supports
• Community Employment Services:
  • Job Development
• Employee development Services
• Organizational Employment Services
• Self-Employment Services

While the actual survey is a three day event, CARF is really a way of doing business, day in and day out. A maximum three-year accreditation outcome confirms that our program consumers receive quality services every day of every year.
